|--|-----------------|--|--|------------------|
| <p>The diagram shows three dental arches. The top arch is a maxillary (upper) arch with teeth numbered 18 to 11 from left to right, and 21 to 28 from right to left. The middle arch is a mandibular (lower) arch with teeth numbered 48 to 41 from left to right, and 42 to 35 from right to left. The bottom arch is another mandibular arch with teeth numbered 48 to 41 from left to right, and 42 to 38 from right to left.</p> | dentist address | tooth color  |  |                  |
